Don,

Please find attached approval for the United States Environmental Protection Agency - Region 6 Profile 34161818258 - "Construction & Demolition Debris" with an expiration date of 5/28/2019 going to the Maloy landfill for your records.

Do we need to send preprinted manifests? If so, please confirm number of manifests to print and where these need to be sent.

Thank you,

Good morning.

Per your request, we collected composite samples of the wood and concrete generated from demolition of the on-site building in Leonard, Texas.

Attached please find a modified profile listing the sample date and sample ID numbers along with the final laboratory report from Pace Labs.

Let me know if you have any questions or need any additional information.

Regards,
